

## **CARD AND CURRENCY HOLDER**

### **ABSTRACT OF THE DISCLOSURE**

Apparatus for securing bills and / or cards in a decorative and aesthetically pleasing manner. A preferred embodiment comprises an elastic loop forming a cavity in which bills and / or cards can be secured, a charm attachment device, and a charm either permanently or removably attached to the charm attachment device. In other embodiments, the loop is formed of two rigid or semi-rigid side members having ends attached by two respective elastic members.
